Pocket Wi-Fi?

It's a handheld device which provides you with wireless internet access. Connect up to 5 devices.

Save money

Our price is fixed price and only one time pay without additional fee. By using data roaming while in overseas will charge pay-per-use and expensive.

How to rent?

1. order online or phone call
2. make a payment
3. receive pocket Wi-Fi
4. enjoy internet
5. return to our location
(KLIA, Midvalley, Mont Kiara)

**Always Online in
66 Countries
around the world!**

Exclusive for customers of

**EL SOL TRAVEL &
TOURS SDN BHD**
